Actions to stop doing: Stop doing all of the tasks in the last week of the sprint; Stop missing meetings and having poor communication.

Actions to start doing: Begin working on our user stories (tasks) earlier in the sprint; Be more explicit about who will do what task; Meet at a fixed time and place, communicate better.

Actions to keep doing: Constantly learning more about the languages and tools we are using; Keep meeting up with the majority of our members.

Work completed:

User stories:

1. As a playlist owner I want to be able to invite friends to my playlist so that we can share music.
2. As a user, I would like to be able to listen to the songs in my playlist so I can enjoy music.

Work completion rate:

User stories completed: 2

Total number of ideal work hours completed: 20.25

Total number of days: 14 days

User stories per day: 2 user stories per 14 days, or 0.14 user stories per day
