Sasha Shahdoost-Rad
Cole Boyer

Actions to stop doing: Stop doing all of the tasks in the last week of the sprint; Stop missing meetings and having poor communication.

Actions to start doing: Start working on tasks sooner, and make sure everyone is working on something. Be more explicit about who will do what task; Meet at a fixed time and place, communicate better.

Actions to keep doing: Keep working together on tasks, keep communicating about what tasks are being worked on and what tasks still need to be completed.

Work completed:

User stories:
1. As a playlist owner I want to be able to invite friends to my playlist so that we can share music.
2. As a user, I would like to be able to listen to the songs in my playlist so I can enjoy music.

Tasks:
1. Generate random add codes for playlists.
2. Have all collaborators be able to load playlist.
3. Be able to join a playlist using a randomly generated code.
4. Improve the styling and navigation for the site.

Work completion rate:

User stories completed: 2

Total number of ideal work hours completed: 21

Total number of days: 14 days

User stories per day: 2 user stories per 14 days, or 0.14 user stories per day

Ideal work hours completed per day: 21 / 14 = 1.5 ideal working hours per day

Final Burn-up chart (for sprint 3):

Sprint 3: Burn-up Chart
